

**The Liphe Balance Center
presents:**

Energy Transformation

Reiki Masters **Sue Broudy** and **Barbara Slaine** have trained in many energetic modalities. Blending their formal education and intuitive gifts, they have discovered that while working in tandem, an exponential energy is created that opens the space for energetic shifts and transformation for the client.

As you lie in a peaceful room that has been prepared for you with intention to serve only **YOU**, they hold the space and work as moved by spirit, your guides and love. Time is allowed at the end of your session to share, process and explore, which helps support new shifts in one's life.

**September 28th
On the Lake at Linda's
Private Sessions \$90**

Sessions are available:

in Bedford, NY on the lake at Linda's House of Healing
in Weston, CT at the Liphe Balance Center
in Weston, CT at Sue Broudy's Healing Room
